WORK EXPERIENCE

Perplexity AI

Gainesville, FL

Campus Strategist Lead

January 2025 - June 2025

- Delivered 15 interactive AI workshops tailored to each audience's specific use cases, reaching 600+ students and faculty across Computer Science, Business, and Engineering, generating 400+ new active users with a 65% conversion rate
- Developed strategist playbook adopted by 15+ campus ambassadors across 8 universities, standardizing onboarding processes, establishing scalable best practices, and event execution guidelines, during a leadership transition
- Recruited, onboarded, and coached team of 6 student strategists across 5 Florida universities, conducting weekly training sessions and performance reviews that drove consistent pipeline growth and improved outreach effectiveness statewide

Geotarget

Durham, NC

Sales Development Intern

May 2024 - August 2024

- Generated \$110,000 in ARR by booking qualified meetings with B2B decision-makers through strategic prospecting, high-volume cold calling, and persistent follow up across multiple business channels, expanding our sales pipeline
- Accelerated professional growth via 1:1 coaching sessions with top performers, mastering objection handling, lead qualification techniques, and workflow optimizations to advance prospects from initial contact to closed opportunities

Valley Lodge Tavern

Chicago, IL

Server, Food Runner, Busboy

April 2019 - February 2024

- Trained 10+ new employees, cultivated repeat business, and delivered top-tier service through strong customer rapport
- Delivered exceptional fine dining service across 5+ years in high-volume, high-pressure environments, building deep customer relationships and driving repeat business through personalized attention and genuine hospitality

LEADERSHIP & INVOLVEMENT

UF AI Club / AI^2 Center

Gainesville, FL

Director of Connections Committee, AI-SAC

April 2025 - Present

- Launched AI Days 2025 as a lead organizer, coordinating 300+ attendee networking mixer with 8 student organizations, 12 campus partners, and 5 industry sponsors; managed day-of event logistics, and stakeholder communications
- Built and scaled community engagement through weekly tabling, career fair representation, and strategic partnerships
- Moderated panel of 5 student leaders at AI Days 2025, presenting to 100+ incoming students on involvement pathways
